

NEXT 2 WEEKS @ LIFT CLAUDIA NANCE ROLLINS YOUTH CENTER

Hybrid plan at LIFT for September 7th-17th

In response to CCPS TEMPORARY THREE-WEEK COVID-19 MITIGATION plan, during the 2 weeks of the hybrid schedule, LIFT has come up with a corresponding plan. In an effort to aid in the CCPS efforts to help prevent spread, LIFT Youth Center Inc has put together a schedule, with normal 3-6pm hours, that goes along with the Cohorts A & B school days.

CHANGE IN THE CALENDAR

Please check our calendar online at www.LIFT-ringgold.org/programs-events to see the program schedule for the next two weeks.

HELPING MITIGATE THE SPREAD

Hand sanitizing stations will be available and masks will be worn inside.

Parents/Guardians please keep students home who are sick. Students who eventually test positive may initially have symptoms of seasonal allergies a day or two before having a fever. Please be aware of unusual upper respiratory symptoms, fatigue, and loss of smell and taste.

Thank you for your understanding as we make adjustments to our normal programming over the next two weeks. Everyone at LIFT wishes to continue to provide free services for Catoosa County students while helping mitigate the spread.
