Inspired Idea

By Kourtney B and Gibson B

At LIFT, we have many nice volunteers who, out the kindness of their heart, come to help. Our volunteers are so nice that they come for free to LIFT to host activities, and spend time with us.

This is one on of our volunteers named Mrs. Sherry. She goes out of her way and is sweet, caring and nice and does a lot of activities with kids but one of her favorite games is 9-Square-in-the-Air.
